

## **Demo Garden Application**

What type of garden are you proposing?

How does it support the Master Gardener mission? (Choose one or more)

\_\_\_\_\_ Promote environmental stewardship?  
Explain how it will satisfy this objective:

\_\_\_\_\_ Promote non-commercial food production.  
Explain how it will satisfy this objective:

\_\_\_\_\_ Promote human health and well being.  
Explain how it will satisfy this objective:

\_\_\_\_\_ Have fun and make friends.

Explain how it will satisfy this objective

\_\_\_\_\_ Learn.

Explain how it will satisfy this objective

\_\_\_\_\_ Share knowledge with the community

Explain how it will satisfy this objective:

If you were leading a garden tour, what would you say about this garden?

Who will maintain this garden? (at least 3 people)

Are each of the persons named above able/willing to put in the substantial amount of time needed to install the garden and the ongoing time needed to maintain the garden?

How big should the garden be?

What do you need to install this garden? Include any hardscape needs (i.e. wood, stone, gravel, trellis) and soil amendments.  
Please estimate the cost of each item.

What are the water (drip) requirements for your garden?
